DETAILED ACTION

Response to Amendment

Applicant's Amendment filed Jan. 3, 2006 has been received and entered. Claims 1-18 remain pending in the current application.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: The Title of the invention has been changed to "Liquid Crystal Display Comprising A Frame Having First and Second Hooking Members for Coupling With A Front Bezel and A Diffuser Plate".

Allowable Subject Matter

Claims 1-18 are allowed.

Regarding independent claims 1 and 12, non of the prior art teach or suggest a frame comprising of a first and a second hooking members for coupling with the front bezel and the diffuser plate respectively. Therefore, claims 1 and 12 are allowed over the cited prior art.

Regarding claims 2-11 and 13-17, since claims 2-11 and 13-17 depend directly or indirectly on the allowed claims 1 and 12, therefore, claims 2-11 and 13-17 are also allowed.

Art Unit: 2871

Regarding claim 18, the cited prior art, Horiuchi et al. (US 5729310) disclose in Figure 5 a frame (element 1) deposited below the front bezel (element 5) and having a hook (element 3); and a diffuser plate (element 13), deposited below the frame (element 1) and having a notch (element 17). However, Horiuchi et al. fail to disclose that the notch is coupled with the hook so that the frame and the diffuser plate are integrated as a whole, the hook, however, is coupled with the notch formed in the front bezel. The diffuser plate and the frame are coupled by means of pins and holes. Therefore, claim 18 is allowable over the cited prior art.

Response to Arguments

Applicant's arguments, filed Jan. 3, 2006, with respect to claims 1 and 12 have been fully considered and are persuasive. The rejection of claims 1 and 12 has been withdrawn.
